Date of manufacture: 1910

Dimensions

Height = 82 cm (32.3")

Width = 9 cm (3.5")

Depth = 12 cm (4.7")

Description

A striking pair of large antique brass door handles, likely dating from the early 20th century. These solid cylindrical handles are mounted on decorative backplates and feature finely turned finials at both ends, lending them a classical architectural quality. Originally designed for double entrance doors on a commercial building or shopfront, their impressive scale and detail suggest they were intended to make a strong first impression. H: 82 W: 9 D: 12 cm
