Description

A smart and extremely well made antique mahogany console table. This was made in England, it dates from around the 1920-30's. The quality is outstanding, this is very sturdy and it is a useful size, being quite wide yet narrow from front to back. The second lower tier is a very useful feature, this stands on sturdy legs with beautifully grooved sides. We have had this re-polished, it is in excellent condition for its age, with only some extremely minor wear here and there.
