Description

Antique Arsa pocket watch, chain and compass. The watch has a Swiss 15 jewel hand-winding movement which is working nicely. The movement is signed underneath the dial with the Arsa name, a brand name registered in 1921 by Manufacture d'Horlogerie A Reymond SA. The movement is protected by an inner hinged cover. The watch measures 48mm diameter excluding the winding crown and the loop. The case is chromium plated and it is in good condition, just general light surface marks to the back. The glass lens is in lovely condition. The dial is in beautiful condition with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with double albert, with each chain measures 21cm long including the T-bar and the clasp. Also included is a functioning vintage compass. The watch and chain come in a new presentation box.
