Description

Large Victorian mahogany extending dining table complete with four extra leaves and a leaf carrier. This handsome table with wind out mechanism is raised on substantial bulbous legs fitted with ceramic castors and has four additional leaves. The extra leaves when not in use are stored in the leaf carrier which has a pierced gallery top and waterfall shelved front, a door to one end enables the leaves to be slotted in. As you will see from the photos, there are marks / scuffs etc, the table ends and leaf carrier have naturally faded over the years but the additional leaves we don't think have ever actually been in the table which remains in overall good, sound condition. please contact us for further details. reasonably priced delivery available.
