Perfect for cottages, attic spaces or any room with standard height ceilings. Would also be a lovely choice for larger rooms, where this bed could be used to create a cosy sleeping area with the use of curtaining or drapery on the top rails. Pretty floral castings in good detail and condition, the head end panel has lovely shaping further adding to this bed's overall charm. Fully restored to be sturdy, practical and most of all beautiful. Whole frame shot blasted and primed prior to hand pant finish in Little Greene's Attic II.
