Description

Beautiful hand-painted Edwardian display cabinet crafted from solid mahogany with satinwood inlays. The upper section features a swan neck pediment and an oval bevelled mirror, enriched with satinwood inlay and a delicately hand-painted floral motif. A glazed door opens to a velvet-lined interior, ideal for showcasing treasured items. Glazed panels to the front and sides allow light to flood through, illuminating displayed objects to full effect. Raised on elegant cabriole legs, this well-proportioned cabinet combines practicality with decorative finesse. While bearing the subtle marks of age, as expected in antique furniture, this is a sturdy and graceful piece that beautifully represents Edwardian design.
