Width = 88 cm (34.6")

Depth = 44 cm (17.3")

Description

This is a lovely quality and elegant 19th century early Victorian mahogany library book case. The columned design with the brass details is very smart and will work well in a huge number of interiors. The single shelf and large spaces offer plenty of room for books or trinkets. The condition overall is very clean with no major issues. The size is neat also. The top for me and the figuring in the columns are particularly nice. Height 81.5cm Width 88cm Depth 44cm Price includes UK mainland delivery
