Description

This is a very high quality early 20th century Mahogany silver table by renowned makers Whytock and Reid. The design is elegant and classic, meaning it will sit well in a huge number of interiors. Useful as a sofa table or console table. Clean overall condition with no major issues. The design is neat and I particularly like the carved detail on the feet. The drawer also opens and closes smoothly. The Whytock and Reid stamp is on the top of the drawer. Height 75cm Width 102cm Depth 56cm Price includes UK mainland delivery
