Description

This is a lovely quality and very neat early 20th century bow fronted chest of drawers. The timber used has a beautiful grain and colour. The handles are brass and a gorgeous design. The top is clean of any major scratches and marks. The bow front design is very elegant which is emphasised by the splayed legs. The drawers all run smoothly and shut flush. The strung detail and vertical use of the timber along the top is a stunning detail that adds a lot to the piece. Height 84cm Width 96cm Depth 50cm Price includes UK mainland delivery
