Description

This is a very high quality 19th century William IV Rosewood tilt top centre table. The figuring of the top is exceptional with a beautiful colour. The edge of the top is also thick and shows the quality of the table very well. The base is neat and elegant which gives the whole piece a stylish design that allows it to work well in a whole host of interiors. The size is nice meaning it will make an impressive centre table or a small dining table ideal for 4-6 users. Overall condition is very good and clean. All feet retain their original concealed casters as well. The table tilts smoothly and locks into position very well. Height (Tilted) - 148cm Height (Flat) - 73cm Diameter 127cm Price includes UK mainland delivery
