Description

This chest is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom. The chest stands on round bun feet supporting the main section. There are two small drawers over three larger drawers. Each drawer has its original round turned wooden knob which is a nice feature. There are lovely brass key escutcheons. The drawers have dovetail joints and are pine lined. The top is in good condition. The height is 124cm, the width is 107cm and the depth is 49cm.
