Description

A charming Oak and Embossed Leather Barley Twist Side or Occasional Table, of smaller proportions, dating to the early 1900s. The attractive embossed leather top features scrolling floral details and is finished with decorative studwork. The piece stands on elegant barley twist legs, joined by matching stretchers. In good condition for its age, with some wear and small losses to the leather in places—consistent with age and use. There is a small repair to one of the stretchers. Ideal as a side table, occasional table, lamp table, or bedside piece.
