Description

This corner cabinet is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The cabinet would look well in an old or modern property amongst similar antique pine furniture in any downstairs room with a large vase on top etc. The cabinet stands on a square plinth supporting the main section. There is one large door. The door has one panel and a round turned wooden knob. There is a shelf behind for storage. The top is in good condition. The height is 75cm, the width is 88cm and the depth is 51cm.
