Description

This chest is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom. The chest stands on round turned bun feet with a rounded plinth to the bottom supporting the main section. There are two small drawers over two larger drawers. The drawers have a lovely round turned wooden knob, dovetail joints and are pine lined. There are rounded corners. The top is in good condition with a rounded bull nosed edge. The height is 83cm, the width is 105cm and the depth is 46cm.
