Description

A beautiful and very well made antique yew wood occasional side table. It is in the Regency style, this was made in England, and dates from around the 1930's. It is of superb quality, the square top has rounded edges and a useful lower tier, connected by beautifully turned supports. The top has a cross banded edge and stunning grain patterns. This stands on a elegant yet sturdy platform base with sabre shaped legs. We have had this recently re-polished, the condition is excellent for its age.
