Description

Incredible Mid 20th century 18ct gold platinum diamond opal ring. This absolutely beautiful quality ring has a very impressive opal cabochon which measures 9mm by 7mm and has a fantastic play of different colours including reds, greens blues and oranges and has colour displays from every angle. Surrounding the magnificent opal is a wonderful design of very bright old cut diamonds haloing the opal of 2mm each. Total weight 0.40ct. All stones are set into a large platinum head measuring 15mm x 12mm. This is really a spectacular and impressive antique ring. The 18ct shank is hallmarked for 18ct and platinum and probably dates to the mid 20th century 1940s /1950s. The ring really is top quality and also is in excellent condition for its age. Ring Size UK Q 1/2 U.S 8 1/4 the total weight is 4.1g. Photographs are ZOOMED with x5 magnification. SO Please Check Sizes And Weights before purchasing as JEWELLERY IMAGES ARE ENLARGED!!
