Description

Antique Waltham pocket watch, 1912. The watch has a seven jewel grade 610 stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 18,227,749 which dates it back to 1912. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold filled and was made by the supplier to Waltham, Fahys of New York. The case is in good condition with just light surface marking. Nice crisp engine turned detail to the back of the watch. The acrylic lens is in good condition. The signed dial is in beautiful condition and the red second numbers around the perimeter are a handsome feature. The watch comes in a new presentation box.
