Description

This delightfully simple and tasteful Empire style bed is humble in its design, yet still very attractive. The frame has been cleaned and siderails extended to be able to take a modern length mattress. We have replaced the cane which has been stained and waxed to compliment the frame. This lovely bed has what we call a low or no foot end, perfect if you are a taller person, or need the space saving perk of not having a tall foot end to the bed. The whole frame has been checked thoroughly to ensure all is sturdy and a good fit. Head Height 119cm Foot Height 28cm Side Rail Height 28cm Overall Width 151cm Overall Length 208cm Suitable for standard King Size mattress (150cm x 200cm) Price includes wood slats (sorry not mattress). As an alternative to the wood slats we can supply mini box bases for superior mattress support and to raise the get into bed height. The bed is photographed on slats with our Montpellier mattress. We can supply hand-made mattresses in all comfort choices, and also with zip and link connections. Please see our web site or email for full specifications and prices.
