## Description

Georg Jensen Danish Silver "Fish Dish" Pendant. Designed by Henning Koppel in the 1950s. This amazing design derives from his huge silver fish platter, and was made into a small range of jewellery inspired by this iconic design. The pendant measures 5.5cm x 2.6cm. The original Georg Jensen silver chain is 58cm long. Total weight 46.9g. Excellent vintage condition. Comes with later Georg Jensen box. Any irregularities in the photos are reflection from the camera.
