Date of manufacture: 1960

Description

Georg Jensen Danish silver "Hidden Heart" Pendant. Designed by Vivianna Torun Bulow Hube in the 1960s. This lovely heart pendant measures 3.6cm x 3.5cm excluding the bail. The original Georg Jensen silver chain is 60cm long adjustable to 54.5cm. Total weight 15g. This is the larger version of the design. The heart is "upside down", so that the wearer can see it "the right way up" when looking down. Excellent condition. Comes with later Georg Jensen box.
