Description

A beautiful Victorian 15ct gold box with flowers in the lid. Although unmarked it has tested as 15ct gold typically used in late Victorian times. It is probably an English made box given its style. The base is engine turned and the edges are engraved with flowers and leaves. It is in excellent condition with no damage or repairs. The lid closes criply and the hinge is tight. A useable and very collectable snuff or pill box. WEIGHT; 34 grams Free delivery in the UK. Payment by bank transfer, card over the phone, PayPal or Klarna.
