Description

This is a superb antique Victorian silver plated novelty cruet set in the style of a motoring carriage holding a salt cellar, pepper pot and mustard with spoon all in super condition with no damage. It's clearly marked underneath with the makers mark for George Richmond Collis & Co of 130 Regent St, London and they worked from these premises from 1854 to 1888 and we have estimated that this item probably dates to around the 1870's. It measures 3 1/2" (9 cms) tall to the handle x 4 3/4" (12 cms) wide x 7" (18 cms) from handle to the front wheel and all three wheels turn easily. This lovely cruet set will come in a gift box.
