Description

John Hunt, Tredegar. A quality Welsh mahogany longcase clock of regulator design. An architectural hood pediment with chamfered corners. A re-entrant base panel and bracket feet. Wonderful, choice flame mahogany veneers to the case. A circular silvered engraved dial with blued steel hands. An 8-day duration mechanism striking the hours on a bell. A domestic Welsh regulator style longcase clock is seldom seen and this is a fine example. Height 6ft 10 " / 208 cms
