Description

A stunning, fine and impressive antique 2.30ct black opal and 18 carat yellow gold cameo ring; part of our diverse antique opal jewellery and estate jewelry collections. This stunning, fine and impressive antique opal ring has been crafted in 18ct yellow gold. The rectangular setting is ornamented with a hand carved 2.30ct black opal cameo*, depicting a profile of a man in armour, bearing resemblance to centurions or the mythological hero Achilles. The cameo is held within a plain rounded collet setting. The trifurcating ring shoulders integrate with the main setting and blend seamlessly with the plain ring shank. This cameo ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold. This impressive ring is supplied with an IDGL gemstone grading report card. A rare black opal cameo ring in yellow gold is an evocative gift for connoisseurs of antique jewellery, equally suited to birthdays, anniversaries or as a personal heirloom of lasting significance. *

Attributed to Wilhelm Schmidt of Idar-Oberstein, this opal exemplifies the master carver's pioneering technique of using the stone's natural matrix as ...
