Description

A traditional Chinese hardwood torchère stand featuring a beautifully shaped top and an impressive, commanding silhouette. Its elegant height and slender proportions make it perfectly suited for displaying a bronze sculpture, a fine vase, or a houseplant in a grand hallway, corner gallery, or drawing room. The stand is defined by its highly intricate apron carving, showcasing exceptional hand-carving that flows seamlessly into the slender legs. Crafted from a dense, premium oriental hardwood, the piece highlights the expert joinery and traditional design characteristic of classic Chinese stand making. The piece is in great condition. It is structurally sturdy throughout and ready for immediate use in the home. Dimensions * Height: 63cm * Width: 32.5cm
