Description

An 18th-century Flemish ebony casket featuring intricate geometric parquetry panels. Its refined proportions and exceptional artistry make it a striking statement piece for a library table, dressing room, or collector's cabinet. The casket opens to reveal a beautifully fitted interior with a series of small drawers, showcasing superb period joinery. The exterior is adorned with meticulous parquetry work, displaying the high level of craftsmanship characteristic of 18th-century Flanders. The piece is in showroom condition. The ebony frame and parquetry panels are structurally sound, all internal drawers operate smoothly, and the wood has been gently cleaned and polished to preserve its deep, original period patina.
