Description

A Victorian button back armchair circa 1880, with spoon back, scroll arms and serpentine shaped seat, raised on bulbous mahogany legs terminating in castors. A very comfortable armchair for recovering. The upholstery itself is sound as are the springs with no lumps or bumps to the seat but the fabric is grubby and it needs new top covers. I can arrange re-covering with my upholsterer and supply fabric if required. Please get in touch for further details. The back 87cm high, the seat 62cm wide at the front, 53cm deep and 34cm high. Total width including arms is 76cm and total depth 86cm.
