Description

A Pair of Early 20th Century, C1920, Venetian Hand Carved Giltwood Blackamoor Table Bases. A fine quality pair of carved wood, gilt painted Blackamoor table bases, can create a pair of side tables or 1 larger table. Each fitted with deep screw flat brass caps, which traditionally go through a glass table top. A pair of exquisite Venetian Blackamoor table bases, each adopting similar seating positions whilst marginally different, raised hands support the table top and each with an arched neck, 1 more so than the other. The marginal differences support the authenticity of individually carved whilst also being of the pair.
