Description

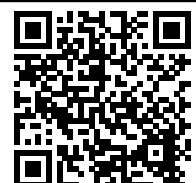

A high quality George III 8 day mahogany bracket clock of beautiful colour and patination, by Richard Grove of London, in excellent original condition with the original verge escapement. The classic style Geo III period mahogany bell top case standing on brass ogee feet with four cast brass pineapple finials and a single faceted brass carrying handle to the bell top. Glazed movement viewing windows to the case sides and opening front and rear glazed doors with the original locks. The beautiful seven-inch brass dial with silvered and engraved chapter ring, matted centre with a recessed silvered signature plate signed Rich Grove London, with a recessed date aperture above the VI and subsidiary dial to the the arch for the strike/silent. The high quality fully restored, twin fusee movement of eight day duration, united by five knopped pillars, with the original verge escapement and striking the hours on a single bell, with strike silent facility. The movement backplate beautifully engraved with floral swags and chinoiserie decoration. The original finely wrought blued steel hands. An elegant, well proportioned original clock of excellent colour and patination, with the...
