Description

A superb example of bentwood craftsmanship, this elegant hat and coat stand features a crown of eight gracefully curved "S"-shaped hooks. The central stem is composed of four vertical sections, culminating in a finely turned finial. At its base, a circular ring provides support for umbrellas and walking sticks, while four twin-curved legs ensure stability and balance. In fantastic original condition, the stand boasts a rich, warm colouring and a beautifully aged patina—hallmarks of decades of careful use and cleaning. Both functional and decorative, this piece will make a striking addition to any hallway, vestibule, or office.
