Description

A charming pair of miniature chests of drawers, finely crafted in rich mahogany with a warm, glowing patina. Each chest features three smoothly sliding drawers, fitted with twin turned knobs and raised on classic bun feet. Echoing the proportions and elegance of full-sized Victorian chests, these compact pieces are ideal for decorative table top storage or as collector's curios. Their scale and craftsmanship make them both functional and visually appealing. As with all genuine antiques, there are minor imperfections consistent with age and use, which only enhance their character and authenticity.
