Description

This is a beautiful and unworn example of a ladies diamond cocktail watch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case surrounded by diamonds with more diamonds to the shoulders, the perfect cocktail watch. It has the unusual backwinding calibre 440 movement which means the winding crown will not get tangled in fibres or spoil the perfect symmetry of the watch. The little winding disc sits perfectly in the hollow of your wrist. It has its original Omega black suede strap with original Omega buckle showing no indication that the watch has ever been worn. If you would prefer a different strap please let us know. The case measures 16mm in diameter and the watch with diamond shoulders is 28mm in length. The only work we have carried out is to ultrasonically clean the case and service the movement. It also comes with original blue grey fitted box these boxes were only used for Omegas highest standard jewellery watches. As you would expect from Omega the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which re...
