Description

Omega – Vintage 1960s – 9ct Gold – Cal. 611 Manual Wind A charming example of a mid-1960s Omega dress watch in 9ct yellow gold, recently serviced and ready to wear. This piece embodies the understated elegance of its era, with a clean and classic design that works perfectly for both vintage collectors and those seeking a timeless daily wearer. The 34mm 9ct gold case houses a silver dial that remains original to the watch, paired with a matching yellow gold crown. The dial features gold baton hour markers and a discreet date window at 3 o'clock for added practicality. Powering the watch is the reliable Omega Calibre 611 manual wind movement, recently serviced to run at just a few seconds gain per day. The watch is fitted to a new brown lizard leather strap with a gold-tone buckle, giving a refined vintage finish.
