Description

Very rare to find in perfect condition this late 19th century Qing Dynasty vase is in excellent condition with no damage or restoration. The vase is an imposing size and is in good hard paste porcelain that is enamelled and hand painted with lovely typical Chinese blossom and birds in foliage in famille verte palette. This has a very attractive ovoid shape with pierced butterfly wing handles to the neck of the vase again in perfect condition. The vase measures 44 cms in height and is 20 cms in diameter. The diameter at the flared rim is 16 cms and 14 cms at the base. UK insured packing and delivery is £20
