Description

A striking hand-woven rug showcasing bold tribal artistry and rich, earthy tones. The deep indigo field is punctuated by two large red medallions—cross-like in form—each adorned with intricate floral and geometric motifs. Zigzag and diamond patterns in ochre, ivory, and rust add rhythm and movement across the surface, while the detailed border frames the composition with repeating shapes in warm, harmonious hues. Finished with traditional fringed edges, this rug offers both visual impact and cultural depth. Its symmetrical design and saturated palette make it a perfect grounding piece beneath antique furniture or as a standalone statement in a contemporary setting.
