

SA1160153

Pair of Japanese Lanterns

Price

Sold**Item Reference: SA1160153****Date of manufacture: 1800**

Dimensions

Height = 37.5 cm (14.8")

Description

A lovely pair of early 19th century Japanese gilt copper lanterns lined with the original parchment. They are in three sections with the top rim and body lifting off to expose the steel hanging mechanism and well for the burning material. There are some very small losses to the parchment but they are otherwise in very good condition.
