

SA1160460

Rare Regency painted "Pop & Catch"

Price

Sold

Item Reference: SA1160460

Date of manufacture: Regency

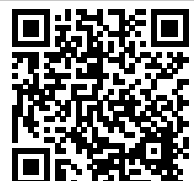

Description

I believe this to be a rare Regency painted pop & catch game. The photographs clearly show the condition of the item. The handle at the bottom pulls back to launch a ball out of the other end to then be caught in the cone. This mechanism is in full working order. L 28.5
