Description

This is a beautiful antique rise and fall pendant light in solid brass with its original stylish opaque white shade. The light has been meticulously restored and fully rewired with modern braided cable in keeping with the era of the piece and is fully functional, wired and PAT tested to today's standards so is ready to be wired in for use in the home. This is fully original so has its original decorative brass ceiling rose and heavy brass balance weight so the light can be raised or lowered in situ to your requirements. It extends down from a length of 70 cms overall to a fully lowered 1.2 mtrs in length. The glass shade is in perfect condition and measures 23 cms in diameter. UK insured packing and delivery is £20
