Description

A stunning, fine and impressive antique Edwardian 10.90 carat high zircon and 18 carat yellow gold solitaire ring; part of our collection of gemstone engagement rings. This stunning, fine and impressive Edwardian engagement ring has been crafted in 18ct yellow gold. This substantial antique gemstone ring displays an impressive and large claw set 10.90ct round faceted cut high zircon. The elevated, pierced decorated ring shoulders integrate with the main setting and blending seamlessly with the ring shank. The ring is hallmarked to the interior of the shank with the 18ct gold mark (18CT) and has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold. This impressive antique zircon solitaire ring is supplied with an IDGL gemstone grading report card. This striking blue high zircon ring in gold makes an evocative gift for graduations, birthdays or significant milestones - ideal for those drawn to statement jewels with enduring sophistication. NOTE: * A high zircon is a natural zircon which has not suffered damage from self-radiation during the process of the stone's creation; their gemmological properties are high...
