Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Omega Seamaster with Art deco two tone dial from 1958 with calibre 501 fully automatic 20 jewel movement widely considered to be one of the most reliable Omega movements ever made. The model reference number is 2846. The two tone art deco silver dial with faceted baton markers is quite superb having been fully restored. It has the Omega symbol on the winding crown. It has its original beads of rice bracelet which fits a wrist size of up to 7 3/4 inches. It also comes with a leather strap of your choice. A new glass has been fitted and the case and bracelet have been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown a full size gents watch. The movement has been fully serviced and comes with a one year warranty, it is keeping time to original Omega specification...
