Description

This is a very smart all original 20th century copper holophane prismatic pendent light. The patina with hint of verdigris coming through makes this hugely decorative and would look perfect in the corner of a room or over a circular dining table. There is a small chip to the holophane diffuser but hardly noticeable. Height 35cm Diameter 24cm Drop of supplied chain 46cm but has 1.5m of flex so can drop more Price includes UK delivery
