Description

A good Georgian period solid mahogany birdcage design tiptop table in nice clean condition dating from around 1800. The table has its original hand forged iron catch in working order and a birdcage platform for rotation of the table top. It stands on a traditional solid mahogany column with tripod base. The table is in great shape overall, one of the pad foot legs has a reinforcement but is very sound. Great size and condition ready for use. This measures 72 cms high 78 cms in diameter and is 115 cms high when tipped open. UK insured delivery can be arranged with our trusted furniture courier and costs £55 plus vat to most.
