Description

A beautiful set of Norwegian solid silver salad servers. They are hallmarked with the Norwegian 830S standard mark along with the makers mark of Brodrene Lohne. I would date them to c1950-1960. They have been superbly designed and are in superb condition being free from dings splits and repairs. They measures approx. 8.25 inches (21cm) long by over 2.25 inches (5.6cm) wide and they have a combined weight of 126 grams. Very well made examples.
