Description

A striking example of early 20th-century craftsmanship, this antique bed dates to around 1905 and showcases a timeless elegance. Constructed from sturdy metal and painted a deep, classic black, the bed features gracefully curved brass top rails that add a touch of refined contrast. Each post is capped with distinctive brass pagoda finials, lending a subtle nod to Eastern-inspired design popular during the era. The substantial posts provide both structural integrity and bold visual appeal, making this bed a stunning centerpiece in any traditional or eclectic interior. This bed accepts a 3ft 6in wide (42in) base and mattress set. There is an option to lengthen the bed to 6ft 6in (200cm) if you wish, which is often preferable for adults or growing teenagers. We can provide the longer bases and mattresses to fit. Please ask. **A BED BASE IS INCLUDED IN THE PRICE OF THIS BED.** The price is for the bed frame and a firm bed base. A sprung base, mattress, bedding and linen are extra and can be supplied by ourselves. This bed is on display in our large showrooms in Chirk Mill, on the North Wales border an hour from Birmingham, Manchester or Liverpool. We are open 5 days a wee...
