Description

An attractive brass and iron antique bed with dainty mouldings finished in black, with round brass knobs. Elegant and timeless, this authentic mid-Victorian cast iron bed exudes classic charm and refined craftsmanship. Finished in matt black, the frame is beautifully accented with original brass knobs and collars, offering a subtle contrast and touch of sophistication. Intricately scrollwork panels create a graceful design, while dainty floral castings add delicate decorative flair. This bed is a striking example of 19th-century design, blending durability with ornate detail — perfect for period interiors or as a statement piece in a modern eclectic space. This bed accepts a UK King Size (5ft or 150cm wide) base and mattress set. You will need a bed base to support the mattress. Bed bases sit on the bedstead frame and can be either Firm or Sprung and come in different depths with a choice of covers. A BED BASE IS INCLUDED IN THE PRICE OF THIS BED. The price is for the bed frame and a firm bed base. A sprung base, mattress, bedding and linen are extra and can be supplied by ourselves. This bed is on display in our large showrooms in Chirk Mill, on the North Wales...
