Description

A lovely antique Farmhouse table dating from the late 19th / early 20th century. It has a planked top and stands on square tapering legs. The legs have their original dark painted finish and the pine top has a nice patina with a lovely warm colour. It is a good size and comfortably seats 6 people with good leg clearance all around the table. The table is in good condition for its age and is solid and sturdy. There are some signs of age and use, general marks and minor knocks and some wear to the finish on the legs in places but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
