Description

This is a most decorative and rare pair of Middle Eastern octagonal tables with stunning hand painted designs dating from around 1900. The pair are beautifully decorated in bold colours both with cobalt blue ground to the bases and matching arts and crafts style floral and leaf designs. The top surfaces are contrasting, one with hand painted arts and crafts design and the other with geometric Islamic style motifs. A quite striking pair of very useful tables that are almost certainly unique. These measure 50 cms in height by 37 cms in diameter. UK packing and delivery is £45
