Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. Its a complete set with original box, original Omega paperwork, original sales receipt and original solid 9ct gold Omega buckle. This is the Solid 9ct gold Seamaster Deville with fully automatic 24 jewel calibre 565 movement with quick set date. Model reference number 166.5020 This is one of the more desirable Seamaster Devilles with the heavier Dennison made solid 9ct gold case, the Dennison cases are about 50% heavier than the cases made in Switzerland The Seamaster logo on the back of the case is bright and crisp. It is fully marked Omega on the dial, movement and case as you would expect. The watch has the rare starburst textured dial that shimmers as it catches the light it is in perfect condition having just been professionally restored. The case has been ultrasonically cleaned and polished so it is absolutely pristine. The watch case has London hallmarks for 1967 and the serial number of the movement also indicates a manufacture of 1967. The paperwork shows that it was retailed a little later in 1969. The watch case measures 35mm in diameter not including the crown...
