**Item Reference: SA1162042**

**Date of manufacture: Before 1700**

Dimensions

Height = 188 cm (74.0")

Width = 197 cm (77.6")

## Description

A wild tapestry with beautiful colours featuring a leopard devouring a deer, a dragon, a monkey and many savage dogs chasing birds up trees and attacking deer on the ground. There is even what appears to be a wolf in stocks, howling for release. Cleaned, lined and in a useful small size it will bring life, colour and drama to your room. 6'6" x 6'2"
