Price

Sold**Item Reference: SA1162196****Date of manufacture: 1890**

Description

An exceptional, fine and impressive antique Victorian English sterling silver and mother of pearl fruit/dessert cutlery set for twelve persons - boxed; an addition to our Victorian cutlery and flatware collections. This exceptional, fine and impressive antique Victorian sterling silver and mother of pearl dessert service consists of twelve knives and twelve forks. The blades of the Victorian knives have a pointed form and the forks each have four tines/prongs. The surface of each knife blade and drop of each fork is embellished with impressive bright cut engraved scrolling leaf decoration. Each piece of this antique Victorian flatware service is fitted with the original and impressive carved mother of pearl handle. The knives and forks retain the original sterling silver ferrules ornamented with ribbed ornamentation. Each mother of pearl knife and fork is fitted to the fine and impressive original hinged oak wood canteen box with a lift up lid. The interior of the box bears a satin lining and velvet lining. The box retains the original key and locking mechanism. This Sheffield mother of pearl dessert set makes an exquisite gift for weddings, anniversaries, milest...
